Re: Dietary Supplement Statement of Support Notification

To Whom It May Concern:

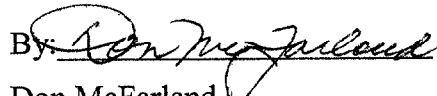

McLind Corporation, P.O. Box 3669 Torrance, CA 90510-3896, who is the distributor of the following dietary supplement product, intends to make the following statement(s) of support:

“Supports Immune Function and Tissue Growth*”

“Amino acids are needed by the body to rebuild and repair tissues and muscles, as well as to assist in making enzymes, proteins, and antibodies. L-lysine, is one of the eight essential amino acids that cannot be manufactured by the body. Not only is it needed to support proper growth and bone development, but L-lysine also improves calcium absorption and helps maintain nitrogen balance in the body.*”

These claims are being made for a product named Lindberg® Free Form L-lysine. This submission is being made in compliance with 21 CFR §101.93.

The undersigned is an authorized representative of the McLind Corporation and certifies that the information contained in this notice is complete and accurate, and that McLind Corporation has substantiation that the above statement(s) is (are) truthful and not misleading.
